Verbal analogies are all about relationships. They test your ability to see a relationship between two words and to recognize a similar relationship between two other words. Verbal analogy tests measure not only your understanding of the words themselves but also your mental flexibility and ability to manipulate relationships.

Verbal Analogies Tricks, Example, Practice PDF

A third similarity between our veterans and newspapers is that when we look back at old newspapers, opinions can be formed as to the state of affairs at the time the papers were printed. Much like looking at old newspapers, talking to veterans of past conflicts can color the opinion of those who are of age to serve their country at present.

Analogy Paper - Term Paper

An analogy is a comparison in which an idea or a thing is compared to another thing that is quite different from it. It aims at explaining that idea or thing by comparing it to something that is familiar. Metaphors and similes are tools used to draw an analogy. Therefore, analogy is more extensive and elaborate than either a simile or a metaphor.
