DSC Security Systems. DSC security systems have been one of the most popular brands of home alarm panel for at least twenty years. "DSC" is short for "Digital Security Controls", and their systems compete well on both pricing and features with major brands like Honeywell/Ademco and Bosch (Radionics). Compared to some other alarm manufacturers, DSC has done a very good job of meeting the needs of residential security customers.

DSC Security Systems

You will find the DSC PowerSeries line, Alexor, Impassa, and DSC Touch alarm systems along with some starter kits for them. The kits will give you a good base to build your total home security system
