The Hong Kong Planning Standards and Guidelines (HKPSG) is a Government manual of criteria for determining the scale, location and site requirements of various land uses and facilities. As planning standards and guidelines could affect the allocation of scarce land and financial resources, they should be applied with a degree of flexibility.

## **HONG KONG PLANNING STANDARDS AND GUIDELINES Summary**

Hong Kong also boasts rich geological resources which make up spectacular landforms. In addition, there is a long history of human settlement and consequently a variety of cultural relics are present. 1.2 This chapter explains the policies and measures in support of conservation from the planning perspective in Hong Kong.
