Indebted I hang my head in sorrow for just a moment when I know I am truly alone. I feel like I'm going to my execution, just as he had said. Then I move forward again. I hop a fence of fieldstone and cross a field dotted with Queen Anne's lace. Goose bumps rise on my arms as I pass the cluster of windmills that I have seen in a dream.

Indebted (The Premonition #3) - Amy A. Bartol
A few series have caught my attention and I have read them but not to the degree that Amy Bartol did. To say I loved this series is a serious understatement because I absolutely adore this series. I was captivated from the start and read all 4 books in 3 days, I seriously could not put them down and as soon as one was finished I opened up the next and just carried on.
