I have a 96 1600 K Series engined Seven, does anybody know where I can get hold of a manual that would cover the workings of the car. I am quite keen doing a few bits and pieces myself, but have no technical documentation for the car. I found the Haynes manuals were pretty good on run of the mill cars - I don't know if they would do a caterham manual though.

Hi 420R as JV has mentioned, I've been attempting my first build, a 420R, and have to say the supplied and available Caterham documentation is terrible.. My kit was supplied with the Ikea style manual, which as pointed out by JV isn't even relevant for a 420, not that I was aware when I started, Caterham didn't make any attempt to mention there was an older manual I could source online which ...
