Resources by Level | Math-U-See

Algebra 2 moves on to new material rather quickly (as compared to many other second-year algebra courses), bringing the total of Math-U-See's combined algebra coverage close to that of other publishers. It introduces matrices and determinants in the honors section of the last lesson but does not get into functions at all.

Math-U-See

grade: foundation to algebra 2 time: used math u see for more than 12 years i have homeschooled 10 of my 11 children. i am down to 4 now. at the beginning i used other curriculum. when i found math-u-see i completely switched over. my older children are in college or finished college and entering the working world.
