complete timeline of all canonical and non-canonical events in the Fallout universe.. The Fallout world is not our own, but rather one set in a universe that shares many historical milestones prior to the events of World War II. So, while it takes place in the future, it is not our future, but one reflecting a traditional 1950s-style science fiction "world of tomorrow"

The following is a list of the episode titles and summaries of FOX's longest-running animated sitcom The Simpsons, centered on a dysfunctional yellow-skinned family living in the unreachable city of Springfield and trying to deal with modern life. The show was created by Matt Groening (who also made Life in Hell, and later Futurama and Disenchantment), and
