The rebel group Polisario Front has said the conflict in Western Sahara would only end when Morocco ends its "occupation" of the disputed territory. "The end of the war is now linked to the end of the illegal occupation of parts of the territory of the Sahrawi Republic," said senior Polisario official Mohamed Salem Ouid Salek.

Polisario: Morocco must end 'occupation' of Western Sahara

According to the American Institute for Economic Research, the study actually showed fewer coronavirus deaths among adults living with children than among adults living without children. "[O]verall our findings suggest that on a population level transmission from school age children does not result in an increased risk of serious outcomes among the adults they live with," the study concluded.
